More than just a tournament, AmericaLawyers brings together colleagues from across the continent, united by a shared passion: football. A meeting point for both sport and profession, it offers a unique opportunity to share powerful emotions — memories that bind us together forever.

Seven tournaments will be on offer:

- 11-A-SIDE
  - **Classic**: (no age limit)
  - **Master**: (more than 35 years old)
  - **Legend**: (more than 45 years old)
  - **Super Legend**: (more than 55 years old)
  - **Ultimate Legend**: (more than 60 years old)
- 5-A-SIDE
  - **Five Women**: (no age limit)

LAWYERS' AMERICAN FOOTBALL CUP

CONCEPT

AmericaLawyers (American Football Cup of bar associations and law firms) is a continental competition derived from the ***Mundiavocat*** (Lawyers' Football World Cup), which was established in 2009 and is reserved for lawyers from across America.

The tournament will take place over four days, ***from Thursday, 11 March to Sunday, 14 March 2027***.

A ***welcome cocktail*** reception will be held on Wednesday evening.

Each team will play at least four matches, with match durations ranging from ***50 to 80 minutes,*** depending on the competition category and the team's progress throughout the tournament.

REFEREEING

To ensure the competition runs smoothly, the organisation is working with the Football Federation of Chili, which will provide the necessary referees.

There will be ***3 referees*** and ***1 delegate*** for each 11-a-side match. For 5-a-side football matches, there will be ***1 referee***.

REGISTRATION

There is no limited number per city or country and no qualification system.

TROPHIES

Prizes will be awarded at each tournament:

- **Champions, second and third:** cups and medals (gold, silver, bronze).

- **All other teams** will receive a cup with their respective ranking.

- **Special prizes** will also be awarded in each category for the best player, top scorer, best goalkeeper, best manager and most fair play team.

Santiago

WHERE THE CITY MEETS THE ANDES

Nestled in the heart of the ***Central Valley***, the Chilean capital enjoys an exceptional natural setting. To the east, the city is dominated by the majestic Andes; to the west, the Coastal Range forms a natural barrier separating Santiago from the ***Pacific Ocean***.

Its skyline, nicknamed ***"Sanhattan"*** after its ultra-modern business district, rises proudly against a backdrop of snow-covered peaks. Gleaming glass and steel towers blend with the surrounding ***Andean landscape***, creating a striking contrast between bold urban architecture and breathtaking nature.

Yet Santiago is also a city of authentic charm, where modern energy meets historic heritage. Neighborhoods like ***Bellavista and Lastarria*** reveal colorful streets, colonial houses, and a lively arts scene, while vibrant markets, museums, and theaters reflect a rich cultural identity. On the culinary side, Santiago is a true feast for the senses hearty ***Chilean cuisine***, fresh produce from the surrounding valleys, and world-class vineyards just minutes from downtown make it a destination for food and wine lovers alike.
It's against this stunning backdrop that AmericaLawyers will set up for its 9th edition!
